This timeline must be up and hanging by 3:00 on Thursday. You need to schedule minimum 15 minute presentation time period with me to walk me through it. During that walk through I need a completed copy of your rubric guidelines - which I will mark on. You must explain each slide thoroughly - what it is and why you chose it. You may do an unlimited number of pre walk throughs - to improve your final grade. You may make adjustments from my feedback...just make sure that you note before we have the final post. All group participants must be present. You may do the walk throughs at Lunch or during class on Monday or Tuesday or afterschool M,T,Th.
