	Target	large donation gift card	CARD	

I think even though we send a card to people. We could send a post card as well. Hit em up a couple of times... that would be nice.

I will get a copy of this list out to all of you...and we can sign up for postcards and for cards. I'll also get you post cards and cards to fill out. Get them back to me this week and I will send everything in the mail next weekend.

And we will be DONE
