I understand that I will be spending the day participating in environmental education and/or environmental service and attest that I am physically fit to participate in all activities. I acknowledge that my participation is completely voluntary and not required.

I further acknowledge that the activities may expose me to some risk of injury. To minimize this risk, I will not create an unsafe situation for other individuals, or myself, nor will I engage in any task with which I am not completely comfortable. I will abide by all applicable federal, state and local laws, as well as the rules and directions of Earth Conservation Corps. If I see any situation that I feel is unsafe, I will call it to the attention of supporting staff.
